Katy Hutchison

Come and Join Us:

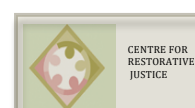

To **INSPIRE** and generate our moral imaginations of what we can be. We aspire to ignite a **DIALOGUE** that is long overdue. One that will kindle new **HOPE**, promote new partnerships and initiate new shared **JOURNEYS TO PEACE** at every level of our interactions.

CONNECT with others who care to build new **BRIDGES** across differences and to generate the changes that foster and sustain the **RESPECT, UNDERSTANDING** and **HOPE** needed to effectively work together to address the enormous social, environmental and economic challenges we face.

Proudly hosted at:
